1. Shared ideas from classes. Joshua 5CR asked about the entrance gate to see if could be opened at the end of the day when it gets very busy.
2. Mrs H told the School Council about the School Development Plan. She explained to us about what it is and how we are included in making our school even better. For the next Council meeting we were asked to bring along any suggestions on what we would like to improve further.

Items to discussed at this meeting:

1. Ideas from classes to be shared about how we can improve our school further (School Development Plan).
