

## Caldew Lea Primary School Homework policy

### AIMS

We see homework as an opportunity to develop the partnership between home and school with the aim of working to help all children develop positive working habits and achieve their full potential.

### PURPOSES

- To enable parents to work with school to help their child.
- To encourage children to develop confidence, skills and motivation to study on their own as they progress through school.
- To consolidate and re-enforce skills and understanding developed at school.
- To extend their learning.

### FRAMEWORK

- The class teacher is responsible for setting homework is appropriate and manageable.
- Parents will be informed about homework requirements.
- Parents will be encouraged to praise the efforts of their children.

The amount of homework set in a week may vary according to age and ability.
